Revista Española de Patología, a quarterly scientific and professional bulletin, was founded as "PATOLOGÍA" in 1967 by Alberto Anaya, M.D. as the Official Journal of the Spanish Society of Pathology and was first published in 1968. Since 1993, it is also the Official Journal of the Spanish Society of Cytology. Since 2002 the Journal is published in Internet (www.pgmacline.es/revpatologia) at the time of printing. It has also been completely Indexed (all issues since 1968); this and the full text of articles published after 1995 can be obtained in www.repatologia.com.
